c. Pertinent Facts.

(1) Total number of copies produced have been established as follows:

	Bound Elements *		Gazeteers	Unbound Elements
	900		1200	100
10 Jan. 50	800	10 Jan. 50	1050	24 Jul. 50 100
28 Feb. 50	750	28 Feb. 50	1000	
20 July 50				
NIS 13	700			
NIS 26	750			
All Others	700			

25X1

\*For Areas on which distribution is not made , total production would be 150 copies less.

(2) In September 1950, a survey of Non-Intelligence Advisory Committee Agencies, regarding Preliminary Gazeteers, had the following results:

396 copies were distributed to 6 Agencies.

6 Agencies were added to Standard Distribution to receive a total of 10 copies in future.

(3) An additional survey of Non-Intelligence Advisory Committee Agencies conducted by Liaison Division, is now awaiting approval by I&SS with a view to furnishing copies of NIS surveys to those agencies.

(4)  NIS Division, ORE, recently stated a further study is being made of the NIS program with a view to reducing total production.

2. Top Secret elements have not been considered, since they form a minor portion of the program.
